

REMHA Annual General Meeting – May 26, 2019

Proposed Constitution Change

By Law No. 25 (as currently written)

Members of the Executive Committee as listed in Article 7 cannot hold another position at the team level of the Association e.g. Coach, manager etc. without the consent of the voting members.

By Law No. 25 (proposed)

Members of the Executive Committee as listed at Article 7 cannot hold another position at the team level of the Association where they have a child or ward participating without the expressed consent of the voting members. Also, said members will observe conflict of interest principals in dealings with the age group.

Rational :

Proposal is to clarify executive members duties & responsibilities where they have a child participating in the program to ensure there is no real or perceived conflict of interest.

E,g, - if there is an issue within an age group/team, which hat is the member wearing in the eyes of the public? - a coach, an executive, or a parent.
